Including Everyone

We turn everyday minutes into Jewish moments that are remembered for a lifetime

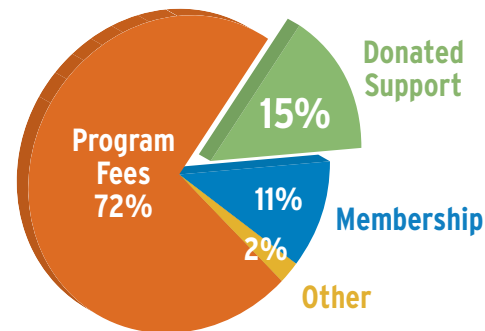

For more than 100 years, we have **instilled** a love of being Jewish in all those who have come through our doors.

We are a powerful **identity** shaper and an **influential** factor in Jewish continuity. We deliver Judaism from a vibrant, hands-on and relevant perspective. We provide the easiest entry portal to actively engage people in Jewish ways that they will remember forever.

We **introduce** people to their newest lifelong friends. And while we introduce our participants to each other, we also introduce them to new ideas, new skills, and new traditions.

Involving Community

There is a gap between membership, program fees, and the cost of operating one of Atlanta's largest Jewish agencies. The difference must come from our community. Your donation secures us as the place where Jewish identity is celebrated and lasting connections are made.

2016 Projected Revenue

“The best part about participating in MJCCA programs is being a part of a community that starts to feel like family.”

Influencing Generations

We **involve** people in Jewish life from young family programming to preschool, from day camping and overnight camping to after school and teen programs, from cultural offerings to adult learning classes, from sporting leagues to the latest fitness craze to healthy living initiatives.

We **influence** the quality of life for generations of Atlantans.

We give people the tools to **incorporate** Judaism into their lives and become more committed to their heritage and their community.

We **include** everyone and want all to feel valued. We remove barriers to entry to the community. Regardless of race, religion, age, financial need, or ability – all are welcomed at the MJCCA in an environment where everyone in our community belongs.

We **impact** the lives of more than 55,000 people every year - more than any other local Jewish agency.

To continue to influence, involve, and impact, **we need you.**
