Our signature classes are designed specifically for older adults and taught by specially trained, certified instructors. You are sure to find a class that suits your need and abilities.

SilverSneakers® CLASSIC/ formerly Muscular Strength & Range of Movement (MS ROM)

This class offers something for everyone, regardless of fitness level, and can help improve overall strength and flexibility - helping you stay healthy and independent.

As in other SilverSneakers classes, the instructor guides you through the exercises at your own pace.

SilverSneakers®CIRCUIT/ formerly Cardio Circuit

Aerobic or cardiovascular exercise is the highlight of SilverSneakers Cardio Circuit. The class features upper-body strength workouts using hand-held weights, elastic tubing with handles and other fun accessories in non-impact aerobic activity. A chair is available for support and easy head-to-toe stretching.

SilverSneakers® YOGA/ formerly YogaStretch

YogaStretch will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

SilverSPLASH®

SilverSplash offers lots of fun and shallow water moves to improve flexibility and cardio endurance. No swimming ability is required, and a special kickboard is used to develop strength, balance and coordination.
