Payments are due two months in advance. If your child starts school after the beginning of the school year, the payment plan will commence two months in advance of your child's start date. Example: For a child starting school in November, the payment plan will commence September 20.

If the due date of the first payment has passed, your first payment will be taken immediately upon the setup of your payment plan. Subsequent payments will be taken monthly ending in the month of the final payment due date listed above.

Deposits and registration fees are non-refundable and non-transferable. Tuition rates do not include membership to the MJCCA or Temple Kol Emeth or costs associated with Preschool Vacation Camp. MJCCA preschools charge a credit card processing fee of 2.5%. For our families who prefer a payment option with no processing fee, we offer the option of electronic funds transfer (EFT).

Please refer to the Registration Policies & Information for details.
