Payments are due two months in advance. If your child starts school after the beginning of the school year, the payment plan will commence two months in advance of your child's start date. Example: For a child starting school in November, the payment plan will commence September 20. If the due date of the first payment has passed, your first payment will be taken immediately upon the setup of your payment plan. Subsequent payments will be taken monthly ending in the month of the final payment due date listed above.

Deposits and registration fees are non-refundable and non-transferable. Tuition rates do not include membership to the MJCCA nor costs associated with Preschool Vacation Camp. MJCCA Preschools charge a credit card processing fee of 2.5%. For our families who prefer a payment option with no processing fee, we offer the option of electronic funds transfer (EFT).

Kindergarten Program: The deposit and all tuition payments are nonrefundable and nontransferable. A commitment is required for the full school year beginning August 9, 2021 and ending May 24, 2022. Should you withdraw from the Kindergarten program, you will remain obligated to pay tuition through the end of the 2021-22 school year.

We will continue to operate under COVID-19 restrictions and do not know if we will return to normal operations and hours this summer or fall. A decision to lift these restrictions safely and at the appropriate time will be made in accordance with all CDC, State, and local health guidelines, and in consultation with our medical advisory board.

Hours of Operation:

While COVID restrictions are in place, camp and school will open at 8:00am and close at 5:30pm. These hours may be adjusted as COVID restrictions change.

Prolonged Closure Tuition Policy:

We have developed a tuition policy in the event of a prolonged closure of the MJCCA Preschools. A prolonged closure is defined as more than ten consecutive scheduled school days. The following policy will ensure that we keep connectivity between school and home during a prolonged closure and that your child's place in our school is kept secure. If a closure is deemed necessary, we are committed to continuing your child's education remotely through various means of digital programming.

During a prolonged closure event, families are responsible for paying the full tuition rate for the first ten consecutive scheduled school days, and then 50% thereafter. As tuition is paid in advance, a credit will be applied to the final tuition payment of the 2021-22 school year.

COVID-19 and General Sick Child Policies:

For the health and safety of all children and staff, it is imperative that you **keep sick children at home**. If your child has a pre-existing medical issue, such as asthma, we highly encourage you to consult with your health care provider to determine the best time for your child to re-enter a childcare environment.

We understand the importance of childcare to our families. While we cannot anticipate an interruption in service, it may be necessary for the school to close due to recommendations by the health department and/or CDC due to wide-spread illness. **We are doing our part** through increased cleaning and sanitization along with daily health screenings of everyone entering our premises. Please **help do your part** by keeping your child home if they or anyone in close contact with your child becomes sick.

The following guidelines will remain in place until such time as the CDC and/or BFTS issues new protocols:

- If a child **or family member living in the same household** has any of the following symptoms, the child may not attend school:
 - A temperature of 99.5 or higher
 - Cough, runny nose, shortness of breath, signs of respiratory infection
 - Muscle aches
 - Headache
 - Sore Throat
 - Loss of taste or smell
 - Diarrhea
- If a child becomes sick at school, s/he will be isolated from others and expected to be picked up within 30 minutes. Please be sure all parties listed as contacts are accessible to be reached by phone or email in a timely manner.
- If a child or staff member becomes ill and is NOT diagnosed with COVID-19, s/he may return to school when:
 - they show evidence of a negative PCR COVID-19 test AND/OR
 - they have been fever and symptom free, without the use of medications, for a continuous 72-hour period
- If a child or staff member becomes ill and tests POSITIVE for COVID-19, the family or staff member **must contact school immediately** and follow all CDC required guidelines including quarantining and contact tracing. The school will then need to call the health department and follow their guidelines, which could result in a temporary school closure. *Please note, no refunds will be given for tuition during a temporary closure.* The infected person may not return to school until they have self-isolated for a period of 14 days and are symptom free for 24 hours.
- If you become aware that any person with whom you or your child has contact with exhibits symptoms of COVID-19, is advised to self-isolate, quarantine, or has tested positive or is presumed positive for COVID-19, you **must contact school immediately**. Families should then self-isolate for 14 days from last known exposure to sick individual. A negative PCR test

after the required quarantine period is needed to return to school. *Please note, no refunds will be given for tuition during instances of individual isolation.*

- If any member of a household has travelled internationally or domestically from an area which is subject to travel restrictions, the MJCCA Preschool student may return to school after the required 14-day waiting period. The most current travel restrictions are posted on the CDC website.

Classroom Information:

- We may need to adjust some classrooms and spaces to allow for extra room and easy sanitizing
- We will encourage extra hand washing and social distancing as much as possible
- In order to minimize the potential spread of germs, each class will be considered a “cohort” and will not be mixing with other cohorts until restrictions are lifted.
- “Shared” spaces such as playgrounds and rooms used for multiple classes may be will be utilized on a rotating basis to allow for sanitizing between classes. This may mean that not every class will have access to these areas every day.
- Some specialists will now travel between classrooms in order to minimize exposure to shared spaces. Specialists will wear PPE which will be either changed or cleaned between classes. Children will not share equipment.
- Other specialists may continue to utilize a common area. In these cases, adequate time will be allotted between classes to allow for thorough cleaning of the shared space and its materials.
- Water Cups / Water Fountains: For the health and safety of our children, water fountains in the preschool will be closed and not available for use. Children under two years of old may continue to send in a LABELED sippy cup for drinking use throughout the day. Children three-five years old will be provided with disposable cups and water throughout the day to stay hydrated.
- Large/Whole School Gatherings: We will continue to provide a high-quality play-based program for our children but at this time, we will not be able to hold multi-class or whole school gatherings, such as Shabbat Sing.
- Classroom/Facility Cleaning & Disinfecting: The rooms have been thoroughly cleaned and sanitized and we will continue to maintain the new cleaning procedures during the day and each night. All cleaning supplies have specifically been approved for use in preventing the spread of the COVID-19 virus.

Facilitators and Outside Therapists

- Individual facilitators must be counted in the total for each classroom. Therefore, children requiring facilitation **MUST** make arrangements with the school **PRIOR** to school opening.
- At this time, no outside therapists will be permitted to pull children from the classroom for individual therapy sessions during school hours. These restrictions may be lifted as protocols change.

Arrival and Check-In Procedures

This process takes time and we have limited staff available to transport children so please plan accordingly and be patient as we implement the following procedures:

- Until parents are once again allowed entrance to the building, there may be a need to have assigned drop off and pick up locations.
- We ask that you remain in your car. A staff person, wearing PPE, will come to your car to take the temperatures of everyone in the car using a no-touch infrared thermometer and you will be asked a series of health questions. A teacher will then come to your car to bring your child to the classroom.
- Adults in the car are required to wear a mask, children over 2 should be wearing a mask as well.
- If anyone in the car has a temperature greater than 99.5, your child will not be allowed at school that day.
- If your child presents with any symptoms listed above, s/he will not be allowed at school that day.
- All children will be asked to use hand sanitizer before entering the building and will be washing their hands upon entering the classroom.
- Please speak with your child(ren) about these procedures so they know what to expect.

Dismissal and Pick-Up Procedures

As much as we love chatting with you about your child’s day, please understand that our main focus will be to deliver all children expeditiously so we will not be able to chat as freely during this time. We appreciate your continued patience as we work to execute this process as quickly as possible. Please note the following for half day parents:

- Please remain in your car until we bring your child to you.
- For safety reasons, we will not buckle children into car seats

- All adults in the car must wear a mask

What to Send and What NOT to Send

The new health protocols are very specific about limiting items that can inadvertently spread disease. As always, every item sent to school **MUST** be labeled. This includes small items such as pacifiers, bottle lids, socks, etc.

Do Send:

- A re-usable bag to carry your child's belongings
- Multiple changes of extra clothes appropriate for the season
- A rest-time sheet and blanket for full day children (optional)
- **ONLY** children in the ones and twos are permitted to bring a sippy cup. Older children will be using disposable cups provided by the school
- Lunch in **disposable lunch bags** (more info below)

Do NOT Send:

- Toys, books, loovies from home as all classroom materials undergo regular cleaning and disinfecting in order to prevent the spread of germs.
- Sippy cups (other than the ones and twos)

Meal and Snack Information:

- An individually packaged snack will be provided every morning for all children and in the afternoon for our full day children.
- We will continue to provide milk each morning to those children who would like it
- For Schiff and Sunshine, lunch and snacks sent from home must be sent in a **disposable lunch bag and will not be refrigerated.**
- For schools offering lunch programs, we are planning on our lunch programs returning in the fall. We will update you if anything changes.

Please remember that these policies and procedures are designed with the goal of keeping everyone healthy. The situation remains fluid, with protocols changing every few weeks. We will do our best to keep you apprised of these changes as they occur and thank you in advance for your continued patience and understanding. Communication is key to maintaining your trust and we welcome any conversations regarding these policies, or any others, for which you'd like further clarification.

I, the parent/legal guardian, assume all risks and hazards incidental to the conduct of activities and transportation to/from the activities. Note: These policies are subject to change while COVID-19 restrictions are in place.

Full Day Families

Upon arrival and dismissal, please park your car in a designated parking place and check in at the school office. We ask that you limit your time in the building to 10 minutes, as our parking spaces are limited. If you know you will be longer than 10 minutes, please park in the main MJCCA parking lot. Please also make sure that if you are parking on the straight-away (along the playground) that you follow the line of waiting cars, safely pass the waiting cars in the circle, and park on the right facing the exit of the center. Parking on the straight-away, facing the wrong direction (the school entrance) is prohibited. There are parking spaces available for Weinstein School parents from 7:00-10:00am and 4:30-6:00pm in front of the MJCCA. Families can park in designated spaces to pick up children and enter through the main MJCCA entrance.

Arrival: Parents may bring in or pick up children any time during school hours. **Families arriving between 9:15 and 9:45 am and 1:15 and 1:45 pm are required to park in the main lot, as parking in the preschool lot at this time interferes with the safety of half-day carpool.** Children must be accompanied into the building by an adult; they must be signed in and escorted to their classroom or activity.

Pick Up: Parents must sign out children at the front desk and obtain a pick up card to be presented to your child's teacher.

Half Day Families

Morning carpool begins at 9:25 am. Afternoon carpool begins at 1:30 pm.

Motors must be turned off when in the loading and unloading area. Cars may proceed when the line begins to move forward. For safety reasons, passing is not permitted. Please do not exit your vehicle. Staff members will help load and unload your child. All children must be seat belted in a car seat or a booster seat before leaving the loading area. If you need to pick up your child prior to the start of carpool, you can park in the MJCCA main lot and enter the classroom no later than 1:15pm. After 1:15pm, you must drive through the carpool line for pick up.

Half day families will be given a hang tag to be displayed from their rear-view mirror for carpool. Cars without hangtags will be directed to the main lot.

Safety is MOST important

- MJCCA Security requires membership stickers to be shown on all vehicles.
- Cell phones may not be in use when your car is in motion.
- Please observe the posted speed limit and respect our handicapped and Teacher of the Month parking spaces.
