# ABOUT THE GOOD GAME FOR A GOOD CAUSE FUNDRAISER

At the Marcus Jewish Community Center of Atlanta (MJCCA), we are making an impact by inspiring lifelong friendships, creating lasting memories for all ages, and establishing the sense of belonging that we foster through programs and services. *Good Game for a Good Cause* invites professionals from a variety of industries to socialize and network while enjoying fun games on interactive simulators, powered by Topgolf software. Proceeds from this fundraiser enable the MJCCA to provide scholarships to participants in need to ensure that our innovative programs and vital services are accessible to everyone in our community.
