

Quotes from Melton Students

Here is what our students are saying -

“The course work is not only stimulating and enriching, but I am also building relationships with other Jews in the community.”

“The materials and the teaching staff create a positive and open atmosphere in which to learn and to participate.”

“I know what I believe as a Jew, and why.”

“I have learned more about Judaism in these two years than in all my years in Hebrew School and I have wonderful friendships and have grown so much.”

“I can share my knowledge of Judaism with my day-school educated children.”

“Melton changed my life.”
